

BENLO[®]
A PRODUCT OF **BEN TEC** INDIA LIMITED

BEN TEC India Ltd. We are situated in one of the industrial areas in Kolkata, started business Three decades back. A gen- next Company born in the age of ideas and young entrepreneurs. An ailing meter manufacturing Company was taken over by young ,motivated and highly energetic management and transform in to a successful multi- electrical product manufacturing Company popularity known as BEN TEC with Pan India presence.

We have been providing the Indian electrical industry with exemplary products since 1987. We manufacture metering systems, switchgears, LED lighting systems, switches and accessories, wires & cables in state-of-the-art facilities that are laboratory tested and approved by the Indian Government. Our "BEN LO" brand is widely accepted throughout India because it is innovative, uses the latest technologies, and has a strong market position. We offer complete electrical solutions for both homes and businesses.

Activity Manufacture of electricity distribution and control apparatus [electrical apparatus for switching or protecting electrical circuits (e.g. switches, fuses, voltage limiters, surge suppressors, junction boxes etc.) for a voltage exceeding 1000 volts; similar apparatus (including relays, sockets etc.) for a voltage not exceeding 1000 volts; boards, panels, consoles, cabinets and other bases equipped with two or more of the above apparatus for electricity control or distribution of electricity including power capacitors.

We reach our customers comprising of electricians, contractors, builders, OEMs, industry & panel builders, SEBs, power utilities and domestic customers through a 200 strong sales team operating from Head offices & 24 branches. Our products reach our customers through 7 company depots and over 3000 retail outlets. It is a continuous endeavor on the part of all the members of all the members of BEN TEC family to excel in performance and to satisfy our customers by our product's quality, quantity and deliver and in the process to develop our selves.

bringing innovation to home

Kayo Magnesium Plate with V3 Switches

Kayo Black Plate with V2 Switches
